PRESIDENT'S WELCOME

A chairde, tá fáilte ó chroí romhaibh go léir go dtí Taispeántas Samhraidh Chorcaí 2025.

As President of the Munster Agricultural Society, it gives me great pleasure to welcome you all to the Cork Summer Show — especially in this remarkable year as we celebrate the 220th anniversary of the Society. Since 1805, the Munster Agricultural Society has been at the heart of agriculture, rural life, and community spirit in the region, and we are honoured to carry that legacy forward today.

This year, we are grateful to Cork City Council for joining us as a Platinum Sponsor - your support is a valued addition to our growing community of partners. We are also delighted to welcome back Cork County Council as a returning Platinum Sponsor, whose continued commitment means so much to the success of this event. The partnership and encouragement from both councils play a vital role in bringing the Cork Summer Show to life.

We are delighted to welcome all the exhibitors joining us this year — your participation adds great energy and colour to the show. We encourage all our visitors to take time to explore the wide range of exhibits, support local producers, and discover the incredible work being done across so many sectors.

A special welcome and heartfelt thanks go to everyone taking part in competitions this year — whether you're entering, judging, volunteering, or helping behind the scenes. With over 1,000 competitions happening across the weekend, we are immensely proud of the talent, dedication, and effort that each of you brings to the show.

The Board of the Munster Agricultural Society continues to prioritise education and grassroots development as key pillars for the future of agriculture in our region. Events like the Cork Summer Show allow us to champion education across all areas of agriculture, horticulture, sustainability, and rural life. From young handler classes to community competitions, we are committed to supporting learning, inclusivity, and a deep appreciation for our land and heritage.

On behalf of the Society, I want to extend heartfelt thanks to our members, volunteers, General Council, office staff, and Board of Directors. The time, work, and effort you have all invested in organising this event are what make it such a special and memorable part of Cork's history.

The Cork Summer Show is a celebration — of rural life, community spirit, and everything that makes this county so unique. We are proud to share it with you.

Go raibh míle maith agaibh agus bainigí taitneamh as an deireadh seachtaine iontach seo.

Warm regards,
Gerard Murphy
President

MINISTER DARA CALLEARY MESSAGE

Welcome to the 2025 Cork Summer Show.

As Minister for Rural and Community Development and the Gaeltacht, I am delighted to be in a position to support the Cork Summer Show for 2025. My Department will again this year provided €1 million to over 120 other agricultural shows combined across the country, including your own event here in Cork Showgrounds, Curaheen. Ní hamháin gur ceiliúradh ar shaol na tuaithe agus ar thraidisiúin na tuaithe iad seónna, is ceiliúradh freisin iad ar an nuálaíocht agus ar scoth na tuaithe. Déanann na seónna ceiliúradh freisin ar atá i gceist agus ar an tábhacht atá le Meitheal a bhfuil rath na bpobal seo ina croílár.

Like the show here in Cork Showgrounds, Curaheen each local show around the country continues to be a key social event in the agricultural calendar. They have so much to offer, not just in terms of the competitions that are taking place here today, but also for the platform they provide to local businesses, local farmers and for local craft and artisan food producers. The local show is also one of the best days of the year for meeting neighbors and friends. Your local shows provide a great link between our towns and villages and the rural hinterlands that support them. A place where exhibitors, producers, farmers and the wider public meet face to face to share all that is good about life in the countryside. Each of the shows taking place this year have something special that makes them stand out from the rest. It may be the pedigree livestock competitions or perhaps the exhibitions and food offerings. Whatever it is, your local agricultural show has something for everyone.

I would like to acknowledge the work that goes on for many months behind the scenes to bring this show to fruition. The efforts of committee members and local volunteers is a testament to how much this show means to the locality. Of course there is a sense of local rivalry for those much coveted titles and awards but it is always in the very best of spirits. The way in which neighbouring farms and parishes come together to support each other is a key component of country life. This sense of Meitheal is always on display as part of the local show. Today is a chance to take a break from the busy farming schedule this time of year. I hope those of you attending the show this year thoroughly enjoy the day and that it gives everyone a chance to celebrate all that is good about rural Ireland. I will be visiting a number of the shows around the country and meeting as many of you as I can.

IMPORTANT NOTICE TO ANIMAL OWNERS INVOLVED IN SHOWING ANIMALS

The Irish Shows Association (www.irishshows.org) advises all animal owners who have their animals insured to have the insurance cover extended to cover them while showing animals at shows. It costs little or nothing to do so depending on your underwriter. If you are one of the few who do not have cover we advise you to take out insurance cover. You will protect yourself financially in the event of your animal lashing out and injuring someone or damaging someone else's property. If it is established that your animal was out of your control you may be held responsible, or partly responsible for any injury or damage caused by the animal.

The Irish Shows Association are proud to present the following Championships and wishes to acknowledge the generous sponsorships, which make these competitions possible. For the efficient running of the championships all concerned are requested to read and observe the Rules set out below.

GENERAL RULES FOR IRISH SHOWS ASSOCIATION CHAMPIONSHIPS

Any show or competitor in breach of the Rules set out below will be disqualified from participating or competing in the ISA Championships.

New Rule for Exhibitors 205: If a qualified exhibitor does not turn up to an ISA final without giving prior notice to the ISA office or to a board member he or she will incur a financial penalty.

RESPONSIBILITY OF EXHIBITORS

- Exhibitors accept that the Judge's decision is final in all cases.
- Any abuse of Judges will not be tolerated. Where a dispute or case for complaint arises, the matter should only be dealt with under 8 below.
- Exhibitors should be familiar with the Irish Shows Association Disciplinary Policy as published on our website and annual guidebook.
- Winners of Qualifiers are themselves responsible for entering their qualifiers (or exhibits) for the final in accordance with the rules above, within one hour of qualifying.
- Winners of qualifiers will compete in the final.
- The Irish Shows Association in conjunction with the sponsors reserve the right to alter or amend the rules of the competition as may be necessary where appropriate.
- Shows and competitors must contact the ISA for details of any championships and not the sponsor involved.
- Objections must be lodged in writing with the I.S.A. representative at the show and the Show Secretary within half an hour following the completion of judging, together with a fee of €50, or other stated fee, which is refundable in the event of the objection being upheld.
- Any exhibitor who makes a false declaration or misrepresents a fact regarding themselves or their exhibit is liable to disqualification and/or forfeiture of any prizes awarded.

NOTICES OF INTEREST TO CHAMPIONSHIP PARTICIPANTS IRISH LAW (EU DIRECTIVE)

Under Irish Law all horses moving from one location to another must be accompanied by their passports. It is in your own interest to ensure this is the case. Failure to do so is an offence under Irish Law and is liable on summary conviction to result in a fine up to €3,000. All passports must be registered with the name of the current owner.

The owner of Champions and Reserve Champions are invited to submit the animals' passports to the I.S.A. Head Office where the placing will be endorsed and officially stamped with the seal of the Irish Shows Association as a permanent record.

RULES FOR QUALIFIERS & FINAL: The Clifden High Performance Final is run by the Connemara Pony Breeders' Society the aim of displaying the versatility of the Connemara pony. This class has been developed to highlight the performance aspect of the Connemara pony over fences with emphasis on the rideability, scope, versatility and suitability for child or adult.

The Clifden High Performance Final will take place on the last day of the Annual Connemara Pony Show, Friday 23rd August 2025, at the CPBS Showgrounds in Clifden, Co. Galway.

Six qualifiers will be held at shows nationally at which each of the top four ponies placed at each qualifier will be eligible to compete at the High Performance Final. The qualifiers and the final will be primarily run under the Irish Pony Society Rules for the Working Hunters pony classes following the same scoring system

Qualifier entry fee is €25 per pony (enter for qualifiers is through the show hosting the qualifier). Ponies that qualify for the Clifden High Performance Final must collect a signed qualifying card from the Secretary of the qualifying show. The completed card must be sent to the CPBS Office with entry fee €40 per pony.

AT THE QUALIFIERS :At the qualifiers ponies will complete two phases.

PHASE ONE: JUMPING PHASE

Pony & rider combinations will be asked to jump a course with a minimum of 9 numbered fences. Courses should include a double and a triple combination at a minimum height of 1m and 1m wide. A minimum of three fences at the qualifiers should be built to a height of 110cm high and 110cm wide. Each fence will be marked out of 10 and then a mark out of 20 will be awarded for the way of going. The total jumping and way of going mark is then divided by 2 with any penalties then deducted. Penalties: knock -10, 1st refusal -15, 2nd refusal -20, 3rd refusal Elimination. A rider fall will incur elimination. This will complete Phase One.

PHASE TWO: SHOW PIECE & IN-HAND ASSESSMENT

Each pony will be asked to show a walk, trot, canter and gallop. Unless otherwise requested, ponies will be required to show canter on both reins with a simple change of canter lead through trot. Following this the pony will be stripped and judged for movement, conformation true to breed and type true to breed (i.e. Connemara Breed Standards). The total marks for Phase Two will be 45 consisting of manners (10),

performance (10), movement (10), breed conformation (10) and type (5).

AT THE FINAL: PHASE ONE: JUMPING PHASE

At the final ponies will be asked to jump a course of a minimum of 12 numbered fences which will include a double and a treble up to a maximum height of 110cm and width of 110cm. A joker fence will also be included, which will carry double marks but will be at maximum height (110cm) and will pose a certain level of difficulty above the other fences on the course. Weather permitting the river may be used with an optional fence being provided. This will complete Phase One.

Phase Two: Show Piece & In-hand assessment.

In Phase Two, each pony will be asked to show walk, trot, canter and gallop. Unless otherwise requested, ponies will be required to show canter on both reins with a simple change of canter lead through trot. The pony will be stripped and judged for movement, conformation true to breed and type true to breed (i.e. Connemara). The total marks for phase 2 will be 45 consisting of manners (10), performance (10), movement (10), breed conformation (10) and type (5). High Performance is expected.
