PRESIDENT'S WELCOME

A chairde, tá fáilte romhaibh go léir.

On behalf of the Council and members of the Munster Agricultural Society, it is my great pleasure, as President, to welcome you to the Cork Summer Show 2026.

The Cork Summer Show remains one of Ireland's most cherished agricultural and community events, celebrating the very best of farming, food, innovation, and rural life. It is a wonderful opportunity to bring together communities, connect producers and consumers, and showcase both our rich heritage and the future of the industry.

This year's show offers a vibrant programme of competitions, livestock classes, equestrian events, food, entertainment, and educational exhibits — with something for everyone to enjoy.

We are sincerely grateful to our sponsors, exhibitors, competitors, volunteers, and all who contribute to making this event such a success. Your support and dedication ensure the Show continues to grow and thrive.

I hope you all enjoy your time here, and I wish every success to those taking part.

Go n-éirí go geal leis an Seó agus le gach duine atá páirteach ann.

Le gach dea-ghuí,

Warm regards,
Gerard Murphy

MINISTER DARA CALLEARY MESSAGE

Welcome to the 2026 Cork Summer Show.

As Minister for Rural and Community Development and the Gaeltacht, I am delighted to be in a position again this year to support the Cork Summer Show for 2026. Funding of over €1 million is being provided through the Irish Shows Association to support 126 shows across the country including the show here in Cork Showgrounds.

Rural Ireland is rich in heritage and in culture, and agriculture has played a central role in that. Our Agricultural Shows are a celebration of rural life, rural tradition, innovation and rural excellence. They are an occasion in the rural calendar to showcase local produce and livestock, together with artisan foods and crafts. They are an all-round great day out and I would encourage everyone to get along to their local shows this year.

This year we see an increase in the number of shows taking place across the country, again demonstrating the value communities place in these events. The meitheal and resilience evident in these shows is so encouraging as towns and villages right across the country host their local shows and the associated competitions across many different categories.

The sheer effort and determination of committees, volunteers and stewards must be acknowledged. The way in which these shows deliver great occasions for trade exhibitors, competitors and visitors is a fantastic achievement and, I as Minister for Rural and Community Development and Gaeltacht, am proud to support them. I want to wish the the Cork Summer Show every success for the 2026 season. No doubt it will be a huge success with a host of exhibits and competitive opportunities for local livestock and produce to be viewed and recognised for its excellence. I wish all those who compete and visit the show a very enjoyable day and continued success to those taking part in the competitions. Keep up the good work!

IMPORTANT NOTICE TO ANIMAL OWNERS INVOLVED IN SHOWING ANIMALS

The Irish Shows Association (www.irishshows.org) advises all animal owners who have their animals insured to have the insurance cover extended to cover them while showing animals at shows. It costs little or nothing to do so depending on your underwriter. If you are one of the few who do not have cover we advise you to take out insurance cover. You will protect yourself financially in the event of your animal lashing out and injuring someone or damaging someone else's property. If it is established that your animal was out of your control you may be held responsible, or partly responsible for any injury or damage caused by the animal.

The Irish Shows Association are proud to present the following Championships and wishes to acknowledge the generous sponsorships, which make these competitions possible. For the efficient running of the championships all concerned are requested to

read and observe the Rules set out below.

GENERAL RULES FOR IRISH SHOWS ASSOCIATION CHAMPIONSHIPS

Any show or competitor in breach of the Rules set out below will be disqualified from participating or competing in the ISA Championships.

New Rule for Exhibitors 205 : If a qualified exhibitor does not turn up to an ISA final without giving prior notice to the ISA office or to a board member he or she will incur a financial penalty.

RESPONSIBILITY OF EXHIBITORS

- Exhibitors accept that the Judge's decision is final in all cases.
- Any abuse of Judges will not be tolerated. Where a dispute or case for complaint arises, the matter should only be dealt with under 8 below.
- Exhibitors should be familiar with the Irish Shows Association Disciplinary Policy as published on our website and annual guidebook.
- Winners of Qualifiers are themselves responsible for entering their qualifiers (or exhibits) for the final in accordance with the rules above, within one hour of qualifying.
- Winners of qualifiers will compete in the final.
- The Irish Shows Association in conjunction with the sponsors reserve the right to alter or amend the rules of the competition as may be necessary where appropriate.
- Shows and competitors must contact the ISA for details of any championships and not the sponsor involved.
- Objections must be lodged in writing with the I.S.A. representative at the show and the Show Secretary within half an hour following the completion of judging, together with a fee of €50, or other stated fee, which is refundable in the event of the objection being upheld.
- Any exhibitor who makes a false declaration or misrepresents a fact regarding themselves or their exhibit is liable to disqualification and/or forfeiture of any prizes awarded.

NOTICES OF INTEREST TO CHAMPIONSHIP PARTICIPANTS IRISH LAW (EU DIRECTIVE)

Under Irish Law all horses moving from one location to another must be accompanied by their passports. It is in your own interest to ensure this is the case. Failure to do so is an offence under Irish Law and is liable on summary conviction to result in a fine up to €3,000. All passports must be registered with the name of the current owner. The owner of Champions and Reserve Champions are invited to submit the animals' passports to the I.S.A. EP137Q CLIFDEN CONNEMARA GREEN WORKING HUNTER QUALIFIER

GREEN HUNTER FINAL & QUALIFIER RULES

AIMS: The prerequisite for this class is to access the jumping ability, conformation, movement and temperament of 4-year-old ponies in their first year of showing over fences.

OPEN TO: 4-year-old registered Connemara ponies. Riders over 14yrs on 1st of January 2026. Ponies must be registered in the current owner's name. Microchips will be checked at qualifiers, ensure you bring the pony's passport.

A maximum of 3 ponies may qualify at each qualifier. There must be no change of rider at the final i.e. it must be the same combination that qualifies. Judge's decision is the final.

The qualifiers and the final will be run primarily under the Irish Pony Society rules for Working Hunter Classes using the same scoring system.

JUMPING PHASE ONE: Ponies will be required to jump a course of 8 fences which includes a double, over a maximum height of 80cm. The course may be inspected mounted.

No animals are allowed to practice over any part of the course before the commencement of the class, as this will lead to immediate elimination.

Combinations that incur more than -20 penalties (e.g. one knock -10, one refusal -15) penalties will now proceed to Phase Two. Only clear rounds and combinations incurring -20 penalties or less will progress to the Ridden Phase.

RIDE AND CONFORMATION PHASE TWO: Combinations that successfully complete the jumping phase will be invited to complete Phase 2. The ponies will walk, trot and canter as a group, then line up. The judge will then ride each pony at a walk, trot, canter and at the judge's discretion an extended canter.

The pony will be then stripped and shown in hand. Disregard for this rule will lead to elimination

TACK AND EQUIPMENT:

Bits - simple snaffle (as per IPS rules) excluding unjointed snaffles.

Bandages - are not allowed. Spurs - are not allowed. Whips - not exceeding 75cm.

Running martingales only - are permitted, but judges should pay Attention to their effectiveness. Any suitable noseband is acceptable.

No change of saddlery is allowed during the competition with the exception of overreach boots and/or tendon boots, which may be used for Phase 1 only.

Entry fee to Qualifying show €25; To final €40

Important Notice to Animal Owners involved in showing Animals at Shows

The Irish Shows Association would advise all Animal owners who have their Animals Insured to have the Insurance cover extended to cover them while showing Animals at Shows, it may cost very little or nothing at all depending on who you have Insurance with. The reason for giving this advice is that if your animal were to injure someone or damage someone's property, and it is established that your animal was out of your control at that time, you may be held responsible or partly responsible for any injury or damage caused, and could end up paying all, or part of any Court Award or settlement reached.
