Important Notice to Animal Owners involved in showing Animals at Shows

The Irish Shows Association would advise all Animal owners who have their Animals Insured to have the Insurance cover extended to cover them while showing Animals at Shows, it may cost very little or nothing at all depending on who you have Insurance with.

The reason for giving this advice is that if your animal were to injure someone or damage someone's property, and it is established that your animal was out of your control at that time, you may be held responsible or partly responsible for any injury or damage caused, and could end up paying all, or part of any Court Award or settlement reached.
